Auto Temperature
Mixer
Always Safe,
Always Comfortable

Struggling to get the right temperature in the shower? Fumbling with the controls for the best water volume?

American Standard Automatic Temperature Mixer Collection allows you to customize the perfect shower by pre-setting your preferred temperature and volume of water. A truly hassle-free and comfortable shower experience at your fingertips.

TEMPTACION

Active™

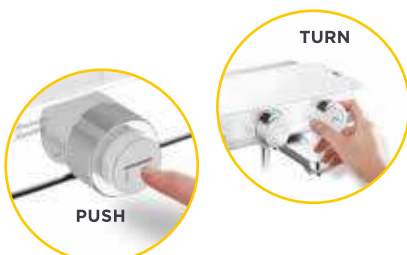

Sleek ergonomic design with intuitive control. Simply push to activate water flow and turn to adjust volume and temperature.

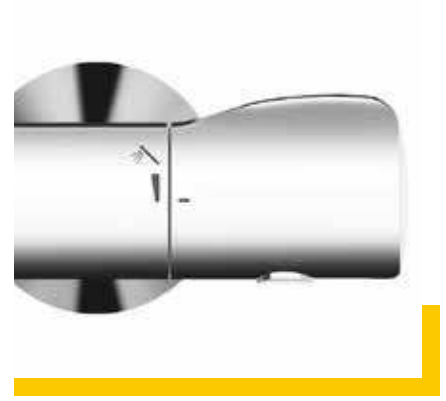

A shower that intuitively conserves water yet indulges you in maximum pleasure. It also comes with a purposeful feature to hold your toiletries, an extra detail for your convenience.

Pamper yourself in a shower with water temperature that stays constant throughout and a control that limits maximum temperature for the safety of everyone in the family.

Why Choose Auto Temperature Mixer?

1 Comfort is everything

Indulge in the soothing flow of water that remains at a constant temperature whenever you take a shower. The water temperature feels just right without having to constantly adjust the temperature.

2 Your safety, our priority

The button at the bottom of the handle locks the temperature for greater safety. Let the little ones enjoy a safer shower experience without accidentally increasing the temperature.

3 Savings meets convenience

With better water volume and temperature control, you can now eliminate unnecessary water wastage for greater savings.

Technology

Innovations That Make the Perfect Shower

COOLSHIELD

As an added precaution, the faucet body has been designed to stay cool at all times, preventing any instances of accidental scalding.

THERMOCOMFORT

Pamper yourself with a shower at a constant and comfortable temperature even when cold water is used elsewhere in the house.

THERMOSAFE

For homes with children and elderly, prevent accidental scalding with the safety temperature control that caps water temperature at 49°C and shuts off when cold water supply fails.

SAFETY LOCK

For a safer shower experience, water temperature is always maintained at a comfortable 38°C. You will need to press the button to get water hotter than 38°C.

KEY FEATURES AND TECHNOLOGIES

COMFORT

- COMFORTMOVE**
Smooth handle performance for optimal precision and comfort.
- THERMOCOMFORT**
Provides a constant and comfortable temperature.
- PRESSUREPLUS**
Comfortable shower experience even at low pressure.
- PETAL PRESSURE**
Robust shower pressure yet gentle on your skin.
- JET SPRAY**
Strong and powerful spray for cleaning.
- AIRNERGIZE**
Air-infused water provides a luxurious shower experience while using lesser water.
- COMFORT ANGLE**
Adjustable water flow angle for a comfortable, perfect splash-proof experience.

SAFETY

- THERMOSAFE**
Safety temperature control up to 49 °C, with a auto shut-off function when cold water supply falls.
- SAFETY LOCK**
Keeps water at a safe temperature.
- LOW LEAD**
Minimal lead content provides better health protection compared to standard brass.
- ZERO LEAD**
Total protection for well-being with zero lead contact in waterway.
- COOLSHIELD**
Body of faucet stays cool and prevents scalding shocks.
- HYGIENEPLUS**
Full antimicrobial body for complete protection and peace of mind.

CONVENIENCE

- DURASHINE**
Shiny chrome finishing gives an enduring brilliance.
- SPACECREATE**
Create extra usable space in the bathroom.
- EASYCLEAN**
Allows easy removal of limescale, mould or dirt.
- SWIVEL 360°**
360° spout provides space flexibility and ease of use.
- EASYCLICK**
An instinctive button for switching between spray modes.
- RETRACTSPOUT**
Pull-out spout for multifunctional usage.
- TWISTFREE**
Prevent shower hose from entangling.
- FLEXIMATCH**
Multiple colors and finishes to match any style.
- EASYGLIDE**
Hand shower holder that allows you to easily adjust its height, single-handedly.
- EASYPUSH**
Easy to operate, even with wet or soapy hands.
- FLEXIFIT**
Adjustable to suit front or back button usage.
- PUSH & TURN**
Dial adjusts water volume easily and offers daily convenience at the push of a button.
- EASYSWIVEL**
Swivel spout provides space flexibility and ease of use.

SUSTAINABILITY

- ECOSTART**
Provides up to 30% energy savings.
- WATER SAVING**
Water-saving for ecological and economical sense.
- CLICKMOVE**
Provides 40% water savings with ease of control.
